

## 2011年 SA指定席 座席表(南)

※黄色の座席をハーフシーズンチケットとして販売します。

This diagram illustrates the floor plan of a 16-story building, showing a central core and multiple wings. The plan is divided into several sections, each with a specific layout of rooms and corridors.

**Central Core (鉄塔 - Tower):** The central core is a large, rectangular structure. It contains a central staircase area labeled "鉄塔" (Tower). The core is surrounded by a series of rooms, including a large atrium area labeled "A階段" (A Staircase) and a smaller area labeled "B階段" (B Staircase).

**Wings and Rooms:** The building features several wings, each with a specific layout of rooms. The rooms are numbered, and the plan includes a detailed grid system for navigation. The wings are labeled with letters A through Z, and the rooms are numbered accordingly.

**Entrances and Exits:** The plan shows multiple entrances and exits, including a main entrance labeled "通路" (Passage) and several smaller entrances and exits located throughout the building.

**Other Features:** The plan includes various other features, such as a large atrium area labeled "A階段" (A Staircase), a smaller area labeled "B階段" (B Staircase), and a central staircase area labeled "鉄塔" (Tower). The plan also shows a series of rooms, including a large atrium area labeled "A階段" (A Staircase) and a smaller area labeled "B階段" (B Staircase).
